Bill Total

2007 Enacted: \$26.405 billion

President's Request: \$25.652 billion

Committee Mark: \$27.598 billion

ENVIRONMENTAL PROTECTION AGENCY: \$8.086 billion, \$361 million above 2007 and \$887 million above the President's request which would have cut the agency by over a half billion dollars.

EPA Enforcement: \$569 million, \$19 million above the President's request and 2007 to ensure that environmental laws and regulations are followed.

Climate Change

- **Sense of the Congress:** States that climate change is a reality and requires the country to act.
- **Core Scientific Research:** \$266 million, \$94 million above 2007 for basic research on climate change at the Department of Interior (USGS), the EPA, and the U.S. Forest Service.
- **Commission on Climate Change Adaptation and Mitigation:** \$50 million to establish a commission to review the scientific questions that need to be addressed to adapt to a warming planet and the specific science investments needed to address this reality. \$5 million will be used to support Commission activities, and the remaining \$45 will be distributed by the Commission to science agencies across the Federal Government to begin to implement the Commission's recommendations.
- **Regulations:** \$2 million to develop regulations to reduce green house gases following this spring's Supreme Court decision that the EPA has such authority under the Clean Air Act.

Water Infrastructure

- **Clean Water State Revolving Fund:** \$1.1 billion, \$437 million above the President's request that could help roughly 150 communities with drinking water and wastewater infrastructure projects. This will begin to address cuts made to these programs since 2004.
- **Sewer and Water Grants (STAG):** \$140 million, not funded in 2007 or the President's request, for sewer and water grants to local communities, roughly half of the 2006 level, a first step in restoring these funds.
- **Rural Water Technical Assistance:** \$16 million, eliminated in the President's request, for technical assistance (such as training staff) for rural drinking water and wastewater treatment plants.

Protecting Bodies of Water

- **Cleaning Up Great Water Bodies:** \$174 million, \$50 million above 2007 and \$65 million over the President's request, to clean up America's waters including the Chesapeake Bay, the Great Lakes, Long Island Sound, Puget Sound and other important targeted watersheds.
- **National Estuary Program:** \$17 million, \$5 million above 2007 and \$10 million above the President's request, for grants to help local communities implement plans for attaining or maintaining water quality in an estuary.

Clean Air

- **Diesel Emission Reduction Program:** \$50 million, \$15 million above the President's request, for a new program to reduce pollution by retrofitting or replacing diesel engines in five categories: freight, construction, agriculture, ports and school busses.
- **Clean Air State Grants:** \$220 million, \$35 million above the President's request, for grants for state and regional efforts to implement the Clean Air Act, restoring funding to the 2006 level.
- **Energy Star:** \$52 million, \$8 million above the President's request and \$6 million above 2007, for the program that evaluates and promotes products for energy efficiency to help Americans make informed energy choices, restoring funding to the 2006 level. EPA estimates the program saved Americans \$12 billion in energy costs in 2005.

Hazardous and Toxic Cleanup

- **Superfund Sites:** \$600 million, \$26 million above 2007 and \$15 million above the President's request, to clean up the most toxic and hazardous waste sites. There is also \$170.6 million, \$9 million above the President's request and \$6 million above 2007 for Superfund enforcement.
- **Brownfields:** \$100 million, \$11 million above the President's request and 2007 for evaluation and cleanup of former industrial and commercial sites - turning them from problem properties to productive community use - and \$50 million in grants to states to administer Brownfield programs.
- **Leaking Underground Storage Tanks:** \$118 million, \$26 million above the President's request for grants to inspect and clean up pollution from underground storage tanks.

Environmental Justice: \$7 million, \$3 million above the President's request and \$2 million above 2007 to ensure that environmental decisions and EPA programs are not unfairly affecting minority populations.
